Ismatec Laboratoriumstechnik GmbH becomes IDEX Health & Science GmbH

We'd like to announce that Ismatec Laboratoriumstechnik GmbH is now renamed IDEX Health & Science GmbH. The Ismatec peristaltic pump product line will remain one of the primary products distributed and serviced out of our site in Wertheim, Germany. You will also be able to order other IDEX Health & Science products from our Wertheim site.

Your Contacts Will Stay the Same

For any questions you may have concerning our products, your order or service inquiries, your personal contact person will be at hand with help and advice:

Pre-order The New Catalog!

Our new catalog will be released in early 2011. The new IDEX Health & Science Fluidics Catalog contains the entire Ismatec line of products, and will replace the current Ismatec catalog. In addition to Ismatec products, you will now be able to find information on IDEX Health & Science connectors, fittings, valves, debubblers and other products for HPLC & UHPLC applications.

To pre-order the new catalog and receive your copy soon after its release, please visit http://info.idex-hs.com/Catalog_2011/

Best regards,

Jürgen Gebler
